PRESIDING COMMISSIONER

David Dick - My name is David Dick and I am asking for your vote and support as I seek the Republican

nomination for Presiding Commissioner of Pettis County. My experience with the National Cattlemen's Beef Association, Missouri State Fair, and the Pettis County Soil & Water Conservation District have prepared me well to serve the citizens of Pettis County in this role. I genuinely understand the importance of good fiscal management and will work with all the county office holders to support them in providing the citizens of Pettis County with the necessary services they require. Please feel free to contact David Dick at 23529 Anderson School Road, Sedalia, Mo 65301.

Pam Carter - I am running for Pettis County Presiding Commissioner as out of a commitment to public service. I am experienced and qualified. I was vice chair of public works on the city council of Sedalia and worked extensively on the annual budget. This grounding in local government has prepared me for service at the county level. As Presiding Commissioner I will keep Pettis County on sound financial footing, continue delivery of essential services such as quality roads, support for law enforcement, and county support for our court system. My past experience in city government has led me to understand the relationship between local and state government. Contact Pam Carter at 2211 South Kentucky, Sedalia, Mo 65301.

PROSECUTING ATTORNEY

Phillip Sawyer— With thirteen years specializing in criminal litigation, I have had the opportunity to both prosecute and defend criminal offenses of all levels of severity. Prior to serving the last two plus years as your Assistant Prosecuting Attorney of Pettis County, I served under numerous appointments, both in Pettis and Benton County on behalf of the Prosecutor's Office and more than ten years as a criminal defense litigator. I believe the citizens of Pettis County deserve a Prosecuting Attorney who is not only experienced in litigation, but can assess a case from both sides. Contact Citizens to Elect Phillip T. Sawyer for Prosecutor at 1500 West 5th, Sedalia, Mo 65301.

Kim Tanner - I am Kim Tanner and I am running for Pettis County Prosecutor because of my love and concern for my community. Since 2002 I have built a successful law practice and am highly active in community services. I have become increasingly concerned about crime and declining moral standards in Pettis County. Therefore, I am asking for the opportunity to put my legal experience and personal passion for improved integrity and public safety to work for the benefit of my community as its Prosecutor. I would love to personally discuss with you how I intend to work effortlessly and resourcefully to protect and restore my community. Please contact me at 29254 Iris Road, Sedalia, Mo 65301.

Andrew Rehmer - It's time for a better approach to prosecuting cases in Pettis County. It's time that drug dealers realize that Pettis County will impose harsh sentences for peddling their poisons to our children. It's time that dangerous & violent criminals face real consequences instead of immediately being released back onto the streets because it wasn't worth the prosecutor's time to get charges filed within 24 hours. I will put my experience of successfully prosecuting 6500 cases (homicides, rape, child sex, drug crimes), never losing a jury trial, & 300+ hours of specialized training to work for Pettis County to bring about real change. Please contact Andrew at 33041 Ringen School Road, Smithton, Mo 65350.

Myron McNeal - I have a proven track record of hard work and dedication. I began working at Rival Mfg at age 16 while in high school. I worked for 15 yrs at Alcan Cable while raising 4 children before going to law school. I graduated from UMKC in 2003, then began private practice. About 40% of my practice is criminal law, so I am very aware of criminal activity in our county and am prepared to use my knowledge and experience to keep this county safe. As the prosecutor, I will consider Pettis County citizens as my employer and will work to keep them safe by enforcing the laws. Please contact Myron McNeal at 501 South Ohio, Sedalia, Mo 65301. I ask for your vote on August 5th.

ASSOCIATE JUDGE—DIVISION 6

Stanley Cox - In over 30 years of practice of law, I have prosecuted and defended all kinds of criminal, civil and domestic cases, including representing the best interest of children involved in divorce. I have handled all types of juvenile matters, including abuse & neglect, delinquency and adoptions. As Chairman of the House Judiciary Committee, I have sponsored many laws to reform and improve our courts, including the revision of the Missouri Criminal Code. This broad experience uniquely qualifies me to handle the variety of cases assigned to Division 6. I ask for your vote on August 5th. Contact Stan Cox at 1730 Hickory Lane, Sedalia, Mo 65301.

Jeff Mittelhauser - After serving in the Prosecutor's office more than three decades, I hope to continue working in the local justice system in a different capacity. My experience as Prosecutor is a perfect fit for the duties of this Associate Judge. Most cases on this docket are criminal cases. That's right--85% of the Division Six docket is exactly what I am responsible for handling now. Please help me bring to the Division Six bench what I've learned over 30 years in the Courthouse. I would appreciate your vote in the August 5 primary. Contact Jeff Mittelhauser at 22010 Stewart Road, Sedalia, Mo 65301.
